Product may differ from Image

**General data**

Dimensions H×W×D	88×116×72 mm
------------------	--------------

Fuse

Operating voltage	250 V AC/32 V DC
-------------------	------------------

Continuous load	3 A
-----------------	-----

USA

Operating current	15 A
-------------------	------

Operating voltage	125 V AC
-------------------	----------

No. of poles	2 + PE
--------------	--------

Connection	Screw terminals: max. 2× 6 mm ² (AWG 10)
------------	---

Product article number of manufacturer	4000-68000-4140000
