RS PRO Battery Organizer Storage Case with Battery Tester, Case Only

RS Stock No.: 25650002

RS PRO is the own brand of RS, offering professional quality products and solutions across all industries and technologies.

Our product range is rigorously tested, inspected, and audited against demanding international standards to provide you with industrial-grade quality, at the right price. Making RS PRO your smart choice.

Product Description

RS PRO Battery Organizer Storage Case with battery tester offers convenience and portability in an elegantly designed case (Batteries NOT included).

High-quality plastic material is lightweight and extremely durable. Water-resistant, shockproof, dustproof, and scratchproof make this case reliable and long-lasting. A removable battery tester offers the convenience of checking your battery status.

Inner foam with pre-cut sizes holds the batteries firmly in place, prohibiting contact ends from touching and allowing you to easily access your batteries. Foam insert holds up to 148 batteries with 4 additional mesh pockets to carry cords, cables, power banks, etc.

Our compact organizer is a fast, efficient way to organize all your batteries in one convenient location. A comfortable handle and carrying strap add convenience and portability.
