## Product Description

Introducing the range of RS PRO Flat Washers, a high-quality fastener solution for providing a secure hold for a nut or bolt, or as a spacer in a wide range of applications. Each fastener is made from steel with either a zinc or galvanised finish, making them much more cost-effective than their stainless-steel counterparts, while still offering a high level of protection against surface rust and oxidation.

### Applications:

- Household applications and DIY
- Electronics and industrial manufacturing
- Construction and building
