M-Spector™ AV M12™ Cordless Multimedia Camera Kit (17mm) 2311-21

The Milwaukee Advantage

The M-Spector™ AV M12™ Cordless Multimedia Camera Kit is the next generation of professional inspection technology for Milwaukee Electric Tool. With the addition of picture, audio and video capabilities, professionals can now inspect and document issues, download the information to their computer and send visual confirmation to a customer or supervisor for review. The new M12™ M-Spector™ AV is available with a 17mm digital flexible camera cable (2311-21) for general applications or a 9.5mm analog flexible camera cable (2312-21) for automotive applications.
