Standard CAT5e High Performance - Round-Solid 3-Prong

106165

Product Overview

Product Number: 106165

Built with a hi-lo stagger design to isolate each conductor at the point of termination making the end result a performance beyond enhanced Cat5e. The internal channels make it a quick & easy prep for termination without using any extra pieces!

- Enhanced Performance
 - For round solid wire
 - 3 prong contact design
 - UL rated, RoHS
 - FCC compliant
 - Gold plated contacts, 50u
 - Round-Stranded available - See part numbers
