Feature:

All bits are manufactured from S2 steel which has been ultra hardened for heavy duty use. Each bit size is supplied in two lengths, 30mm and 75mm. The secure storage tray guards against loss by holding all pieces securely, even if accidentally knocked over.

Torx bits - 1 x 30mm and 1 x 75mm long of each of sizes T20, T25, T30, T40, T45, T50 and T55, Adaptors - one 3/8 in square drive to 3/8 in drive and one 1/2 in square drive to 3/8 in hex drive

The adaptors can be used with hand or power tools
