Datasheet

RS Pro 1/4 in Square Drive Socket Wrench with T-Handle Ratchet Handle

RS Stock No: **248-3081**

Product Details

RS Pro square drive socket wrench made of chromium vanadium steel, features T-handle ratchet that supports reversible or 90° wrench operations. It has a drive size of 1/4 Inch. This drive socket wrench ideally suited for applications where access is restricted. The swivel T-handle allows operation up to four times faster than a standard ratchet. All sidewinder wrenches have removable gears for easy cleaning and lubrication. They are all fully torque tested.

Features and Benefits

- Made from chrome vanadium steel
- T-handle ratchet
- Chrome finish
