File Bar

Maximum Security

ABUS File Bars provide the best solution for securing multi-drawer filing cabinets by restricting access to sensitive data stored inside. Just close the locking mechanism and lock the bar with an ABUS padlock in the space indicated. The file cabinet locking bar is available in different lengths and can secure filing cabinets with 1 to 5 drawers.

Key Features

- Designed to provide additional security to file drawers and file drawer towers
- Constructed of 16-gauge steel
