## **Datasheet**

### **RS Cable Marker, Pack of 100**

RS Stock number 492-336

A range of white (natural) marker plates in six different sizes. These plates have a unique design with round holes instead of slots which allow the plates to be mounted vertically or horizontally, so that they can be used as tags, flags or wrap-around identification plates.

- **Material: Nylon. (Natural)**
- **Suitable ties: 4.8mm or less**
- **Can be marked with:**
  - Nylon marker pens**
  - Hot stamps**
  - Marking Machines**

**Professionally approved products.**
