RS Pro Angled Cat5e 2 Way RJ45 Face Plate, with UTP Shield Type

Product Details:

Cat 5e Angled Faceplates

Category 5e RJ45 socket faceplates with angled entry, providing safer and easier lead access (less prone to damage). Low profile rear punch down terminations will accept wires in the range 22 to 28 awg. Use punch down tool for termination of wires, see Punchdown IDC Tooling. Terminations are colour coded to the T568B wiring specification. Offered in single, double and quad socket versions, with identification labels and mounting screws
