## Datasheet

# 1/4 in Blow Gun

RS Stock number [488-5568](#)

### Description

Venturi action nozzle multiplies air volume output, and makes gun completely safe, because - unlike conventional units - output air flows around the unit and not through it

Manufactured from aluminium for longevity

1/4in BSP Inlet

Max Working Pressure 12 bar

### Features

Innovative design

No moving parts

Adjustability

Ergonomic handle

Lower noise levels

Lower compressed air usage

Energy Saving

### Benefits

Giving 25:1 air amplification

Low maintenance

Application specific set-up. Leading to hundreds of different

Operator comfort

Up to 50dBA noise reduction - health and safety compliant

Lower running costs and in turn lower energy bills

Can dramatically cut compressed air usage
