## **Datasheet**

# **160 mm Round Type Needle File**

RS Stock number 541-6955

### **Specification**

**Material:**

Press moulded high carbon steel for needle file blade

**Finish:**

Neutral colour needle file blades, press cut notch of blade.

**Contents:**

5 pc-160 mm Round type needle file with taper end & knurled hand grip of file, sealed vinyl pouch

**Feature:**

High quality precision needle files for the fine abrasion, profile cutting and finishing of many common workshop materials

Each file has a different cross-section as shown and except for the 'hand' and 'warding' which are squared off, all taper to a fine point
