

P-Pack Desktop units – Power only

Model shown Desk 2 sockets

- Angled sockets
- Master switch as standard
- Tough ABS extrusion
- 45° angled sockets
- Individually fused to BS6396:2008
- Conforms to BS1363 and BS5733
- Pair of desk clamps & sticky pads
- 500mm to Wieland type connector

The Power Pack Desktop utilises an ergonomic modern shape which has been designed to blend in seamlessly with other desktop items such as telephones, monitors, keyboards and laptops etc.

Power where you need it on the desktop, comes with pair of desk clamps as standard, and has a completely flat base ideal for using the adhesive pads that also come in the package.

Manufactured from a tough ABS plastic extrusion, the same key components from the established and reliable P-Pack under desk product range are used on the desktop to maximise the system performance.

Power and Data units

839-9799
