## RS Pro Cutter 124 mm High Carbon Steel

RS Stock No: **847-2964**

### Product Details

RS Pro cutter measuring 124 mm, is made of high carbon steel. The ESD safe micro-tek flush cutter that cuts by shearing leading to a cleaner cut and less mechanical shock. The greatest benefit of this anti-shock system is that only half the effort is required when cutting wire compared to standard wire cutters. The size and shape reflect the latest advances in enhanced ergonomics.

### Features and Benefits

- 9 mm long jaw
- 124 mm long
- Cutting edges are ultra-durable, the range covers 55-58 RC
- Oval, tapered, standard, angled and maxi micro-shear head options
- Strong and robust
- Made from high carbon steel

**Specifications:**
