## RS Pro Digital & Programmable HVAC Thermostat with LCD Display

RS Stock No: **407-5979**

### Product Details

RS Pro digital and programmable HVAC thermostat comes with LCD display for effective measurements. It is suitable for operating temperatures ranging from +5 to +35°C. The push button control with delay option prevents accidental over riding. It includes changeover contacts for heating or cooling applications.

### Features and Benefits

- Digital temperature display
- Push button control with delay to prevent accidental over riding
- Change over contacts for heating or cooling applications
- Uses 2 AAA batteries (not supplied) allowing 2-wire operation

ENGLISH

### Specifications:

Additional Features	LCD Display
Contact Rating	3 A
Contact Voltage	250 V ac
Maximum Temperature	+35°C
Minimum Temperature	+5°C
Supply Voltage	1.5 V
Temperature Range	+5 to +35°C
