# RS Pro 2m power cord, Unterminated to UK Plug (BS 1363), 5 A, 250 V

## Product Details

### RS Moulded Plug with 2m Lead

Brought to you under the trusted RS Brand, this UK BS1363/A fused 13A square sleeved pin plug moulds to a 2m integral lead and sealed free cable ends. The power cord is Fully tested and approved by ASTA, and full termination instructions supplied. Cables are 3-core PVC covered to BS6500 (1975).

This unterminated UK mains lead is ideal for hard-wiring to an appropriate appliance or fitting to an appropriate connector.

### Approvals

ASTA

### Warning

The free end of these cable assemblies must be terminated prior to inserting the mains plug into a live socket.
