ENGLISH

Grey ESD Anti Fatigue Mat

- Size: 0.9m x 0.6m RS Code: 7873123
0.9m x 1.5m RS Code: 7873127
- Thickness: 9mm
- Colour: Grey
- Manufactured from PVC foam
- Supplied with 10mm stud
- Durable mat to protect operatives from static build up
- Anti Fatigue Surface for increased comfort
- Maximum performance when used with a ground wire
- Easy to Clean

Actual Resistance is $1 \times 10^9 \Omega$ to $1 \times 10^{10} \Omega$

Conforms to BS EN 1081: 1998, Resilient and textile floor coverings – Determination of electrical Resistance.
