

## Datasheet

# RS Pro 20m Long Blue Rubber Hose, Applications Hot Water, 25mm Inner Diam.

RS Stock No: **486-665**

## Product Details

RS Pro rubber hose in blue colour, measures 20 m and has an inner diameter of 25 mm throughout the length. The wrapped flexible pressure hose comes with special compound outer coating, which is exceptionally hard wearing and weather resistant. It is used as a hot water hose for cleaning purposes in dairies, slaughterhouses and elsewhere in the food industry. The installation is simple using stainless or brass fittings and hose clamps.

## Features and Benefits

- Polyester reinforced
- Durable hot water hose for cleaning
- Blue outside and white inside
- Not antistatic
- Exceptionally hard wearing weather resistant outer coating
