Topstep provides easy step up access preventing excessive stretching.

The mobile step is supplied K/D where two sections permanently 'lock' together via a built-in bolt free mechanism.

- Topstep is the perfect accessory for any storeroom, office or workplace, where safe access is required for items stored at height.
- Mounted on retractable spring mounted castors Topstep can easily be moved into position without bending or lifting and when stepped on Topstep locks into position allowing safe access.
- Its sturdy steel construction with anti-slip rubber treads and base surround provide a solid platform from which to work.
