Specific lighting needs require specific tools. With the right lighting tool, you can identify potential or existing problems before they interrupt your ability to get the job done. In addition the costs savings of using the right tool over time will benefit your bottom line.

There is a real need to cut costs wherever possible, yet we cannot afford to forget about environmental issues. Streamlight rechargeable lighting tools make good economic environmental sense. Over time they cost significantly less to operate; and they reduce the amount of batteries used, thereby relieving the problem of battery disposal. With Streamlight rechargeable flashlights, your plant will not only save on the cost of batteries, you'll save the time that's wasted when you discover your light isn't working and the steps involved in getting and replacing batteries.

Case Material: High-impact ABS thermoplastic housing. Rubberized impact bumper, lens ring and cushioned-grip handle.

Dimensions/Weight: Length: 11.5 in. (29.2 cm) Width: 5.1 in. (13 cm) Height: 7 in. (17.8 cm) 7.9 lbs (3.58 kg) with battery (included in purchase)

Light Source: Six (6) C4® LEDs, impervious to shock with a 50,000 hour lifetime. 6 wide pattern parabolic reflectors produce a smooth flood pattern. Optimized electronics provide regulated intensity. Jumper selectable high or low setting.

Battery: Zero-maintenance 6V, 12Ah sealed lead acid battery. Red and green LEDs give charge status feedback.

Models: Standard System - International safety orange or high-visibility yellow; includes shoulder strap; includes AC/DC chargers and mounting rack; ideal for field maintenance, inspection of construction sites, and remote equipment.

Vehicle Mount System - International safety orange or high-visibility yellow; comes with vehicle-mountable hard-wire rack and shoulder strap.

Power Failure System - International safety orange or beige; includes AC/DC chargers and "smart" power failure circuitry that automatically illuminates the E-Flood LiteBox when the power goes off.

- Features:**
- IPX4 Rated for weather resistant operation
 - LED Solid State circuitry provides regulated light output throughout battery life.
 - Serialized for positive identification.
 - Locking charge rack option

Approvals:** Most models meet applicable European Community Directives.
Charge rack meets requirements of NFPA 1901-14.1.11.2 (2003) mounted in any position.

Warranty: Streamlight warrants this product to be free of defects for a lifetime of use except for batteries and bulbs, abuse and normal wear. We will repair, replace or refund the purchase price of this product should we determine it to be defective. This limited lifetime warranty also excludes rechargeable batteries, chargers, switches and electronics which have a 2 year warranty with proof of purchase. THIS IS THE ONLY WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES ARE EXPRESSLY DISCLAIMED EXCEPT WHERE SUCH LIMITATION IS PROHIBITED BY LAW. You may have other specific legal rights which vary by jurisdiction
