Maple Model(s)

HMI504T
HMI5043N/T

PLC or Controller

Allen-Bradley MicroLogix™
1000, 1100, 1200 and 1500

Communication Type

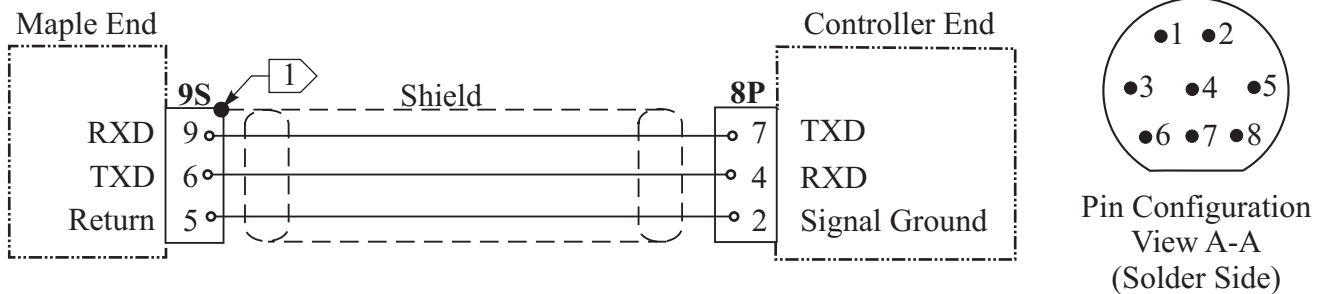

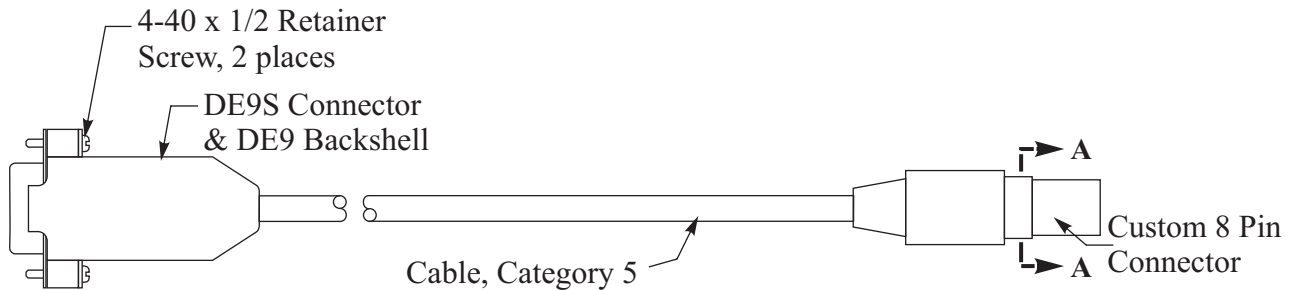

RS-232 with 8-pin Connector
at PLC

Summary

The 8-pin connector for the Allen-Bradley MicroLogix™ 1000, 1100, 1200 or 1500 PLC is a special part only available through Allen-Bradley. We recommend that you purchase Maple Systems' Cable (P/N 7444-0040) or purchase a cable from Allen-Bradley. This wiring diagram shows how Maple Systems' Cable (P/N 7444-0040) is assembled.

Drawing and Schematic

Notes

- 1 Shield wire must be terminated to connector metal shell.
