Blanking panel, 3 U Tool-free attachment, 482.6 mm (19") – DK 7151.305

created: 19.03.2018 build on www.rittal.com/us-en

Product description

Description: The blanking panel is used to cover unused areas within the 482.6 mm (19") mounting level. Tool-free quick-release fastening allows for easy installation in any location, and removal if necessary. The consistent use of blanking panels ensures targeted ventilation in partially occupied racks.

Benefits: Size can be adjusted as required by bending pre-marked 1 U element
Each individual element is self-supporting and may therefore be combined into larger units in conjunction with other elements

Material: Plastic

Color: RAL 9005

Supply includes: Blanking panel, 3 U, with integral quick-fastening

Product features

Dimensions: Width: 482.6 mm (19 ")
