

## Datasheet

# RS Pro 2m power cord, Unterminated to C14 (IEC), 10 A, 250 V

RS Stock No: **731-6166**

## Product Details

RS Pro power cord in black colour, has cable end connector on one end and non-terminated cable on the another end and it is 2 m long. It is current rated for 10 A and voltage rated for 250 V. This moulded C14 socket power cable is left non-terminated at one end and is suitable for flexibility in appliance installation. It is also perfect where an extension to a C13 socket is required. The C13/14 connection is typically used with computer monitors and larger domestic or commercial appliances. This power cord is highly reliable and has excellent quality.

## Features and Benefits

- 2 m long
- Black colour
- Cable end male A connector
- IEC male B connector
- ENEC compliant

**Specifications:**

Connector A Type	Non-Terminated
Connector A	Non-Terminated
Connector B Angle	Straight
Connector B Gender	Male
Connector B Type	IEC
Connector B	C14
Current Rating	10 A
Length	2 m
Outer Sheath Material	PVC
Sheath Colour	Black
Standards Met	ENEC
Voltage Rating	250 V
