

2-Port USB 3.1 Gen 1 Portable Hub, USB-C to (x2) USB-A, USB-C Charging Port and Micro SD & SD/MMC Reader

MODEL NUMBER: **U460-002-2AM-C**

Description

The U460-002-2AM-C 2-Port USB 3.1 Gen 1 Portable Hub's built-in USB-C cable connects to your computer, laptop or tablet's USB-C port to give you two external USB-A ports and two memory card slots. Not only does this hub enable you to use Micro SD and SD/MMC cards for external storage with your device, but it allows you to connect a wide range of USB devices, such as flash drives, external hard drives, DVD players, MP3 players and digital cameras.

The U460-002-2AM-C supports USB 3.1 Gen 1 data transfer rates up to 5 Gbps—ten times faster than USB 2.0. It's backward compatible with previous USB generations, so you can continue using older peripherals while getting maximum high-speed performance from new devices. One port supports USB Battery Charging (BC) specification v1.2 and provides up to 1.5A for fast charging of mobile devices.

The USB-C charging port supports power input up to 20V 3A (60W). It powers the device that the U460-002-2AM-C is plugged into, as well as peripherals plugged into its USB-A ports, by connecting the charging port to a USB-C wall charger.

The compact case fits easily into your backpack, briefcase or laptop bag to power USB-enabled devices wherever you are. No software or drivers are needed.

Highlights

- Supports USB 3.1 Gen 1 data transfer rates up to 5 Gbps
- Card slots allow external memory access via USB-C port
- USB-C charge port connects to wall charger to power device
- Fits easily into backpack, briefcase or laptop bag
- Plug-and-play—no software or drivers required

System Requirements

- Device with USB-C port (USB 3.1 port needed to achieve USB 3.1 speeds)

Package Includes

- U460-002-2AM-C 2-Port USB 3.1 Gen 1 Portable Hub
- Owner's manual

Features

Connects 2 USB-A Peripherals

- Ideal for flash drives, external hard drives, DVD players, MP3 players and digital cameras
- Supports USB 3.1 Gen 1 data transfer rates up to 5 Gbps
- Backward compatible with previous USB generations
- One port supports USB Battery Charging (BC) specification v1.2, providing up to 1.5A for fast charging of mobile devices

Micro SD and SD/MMC Memory Card Slots

- Allow external memory access to your computer, laptop or device via USB-C port

USB-C Port for Charging Portable Devices

- Supports power input up to 20V 3A (60W)
- Connects to USB-C wall charger to power connected devices

Compact Case

- Fits easily into your backpack, briefcase or laptop bag
- Built-in USB-C cable is perfect for travel
- Plug-and-play—no software or drivers required
