RS Pro Black One Size PUR Kneeling and Sitting Mat

RS Stock No: **154-867**

Product Details

RS Pro kneeling and sitting mat made of PUR, provides high flexibility with stronger interior. This mat offers high tear resistance. Millions of tiny air bubbles enclosed within the polyurethane guarantee that the pressure of your own body weight is distributed in an optimal manner to ensure comfort and reduce the overall strain on the joints. The ergonomic fashioning of the knee rest area is designed to allow a release of pressure from the patella and allow for a more even distribution of body weight.

Features and Benefits

- Made from a CFC-free polyurethane formula, which means the product is highly flexible
- Strong exterior means the item has high tear resistance
- Millions of tiny air bubbles ensure even distribution of your own body weight
