 Premium Care Gold not available for ii900, ii910, SMFT-1000, LinkIQ and 7XX process calibration tools.

What you get with a Fluke Premium Care plan

Accidental damage and repair costs included

Avoid costly repairs and rest easy knowing your test tool is covered in the event it gets damaged.

Annual tool inspection, calibration, cleaning, and updating

Ensure your test tool is providing accurate results and adheres to the recommended maintenance schedule by leaving it in the hands of our experts.

Expedited calibration and repair

Skip the wait - your calibration or repair will be expedited with priority next-on-bench service and shipping so you can get back to your work faster.

Replacement of damaged accessories*

Accessories that originally shipped with your unit, like batteries, power adapters, probes and cables, and have been qualified as defective by our technicians will be replaced, free of charge.

Loaner equipment (Fluke Premium Care Gold exclusive)

Never be without your tool. With a Gold Premium Care plan, we'll send a loaner tool for as long as the repair takes.

*Some limitations apply, see Terms and Conditions at the bottom of the page.
