RS PRO 3 Way Scart Splitter Box - Silver

RS Stock No: 2662201

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The splitter is used to connect two displays to one SCART source. As an example, a VCR or DVD player to two TV's. It is possible to use it as a switch as long as one device is put in to standby mode or switched off. The SCART male to 3 SCART female sockets support RGB and audio signals.
