RS PRO 32 Piece Socket Set, 1/2 in Square Drive

RS Stock No.: 229-7278

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS Pro 32 piece socket set has both standard sockets ranging from 10 mm to 32 mm and deep sockets ranging from 10 mm to 19 mm. It has other accessories such as extension bars, universal joint and ratchet. All components are manufactured from a chrome vanadium steel with chrome mirror finish. High-quality build allows safe and long service. This socket set is supplied in a handy storage case made from durable hard plastic. The set can be used for most tasks especially building or repairing various objects including automobile repairs and is a perfect kit for professionals or enthusiasts.
