RS Stock No.: 483-859

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Crocodile Clips

Product Description

Brought to you under the trusted RS PRO Brand, these crocodile clips are both economic and versatile. The nickel-plated crocodile clips come supplied with PE insulated covers, and are available in both red (see stock number: [483-843](#)) and black (see stock number: [483-859](#)). Crocodile clips are ideal for attaching onto wires or cables. The clip is attached to components and establishes a connection between the two. As it is a clip, it will stay put, which frees up the user's hands.
