

Features

- Hard wearing design for long term use
- Clip type with snap release
- Double layered conductive cup
- Incorporates a 1 Meg safety resistor
- Designed for use with ESD flooring

RS PRO Heel Grounder – Clip. Blue

RS Stock No.: 75053297

RS Professionally Approved Products bring you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These hard wearing, ESD heel straps come with a simple snap-release for ease of use. Engineered for long term use, these heel straps are reusable and can be washed by hand in mild detergents. Intended for use across all ESD flooring or matting, each heel strap incorporates a 1 Meg Ohm safety resistor.

General Specifications

STANDARD DOCUMENT	MEETS REQUIREMENTS OF:
ANSI/ESD S20.20 and EIA 625	Personnel Grounding

Physical Properties

ITEM	TYPICAL VALUE
Outer Conductive Surface - Black	$10^3 - 10^5$ Ohms
Inner Antistatic Surface - Grey	$10^7 - 10^8$ Ohms
Conductive Tab - Blue	$10^3 - 10^4$ Ohms
Overall Resistivity	10^6 Ohms
Resistance	1Meg resistor built in

Notes:

- Unless otherwise noted, tolerance $\pm 10\%$
- The heel grounder should be tested from time to time using a footwear test station.
