RS Stock No.: 2546242

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

8M/26FT MEASURING TAPE

This tape measure is an essential for everyone from everyday homeowners, interior designers to professional handyman, carpenter, metal or wood workers and architects. The casing of our retractable measuring tape is made out of rubberized material that is conveniently shock-absorbent.

Thanks to the measurement indicators on the measurement tape, Bold Easy To Read Large Numbers, our measuring tool provides accurate measurements for carpenters, builders, hobbyists and more. Measurement is better than MID II also been awarded certification from M.I.D for accuracy. You have both inch and metric ruler to perform all type of works.
