

FEATURES

- Durable and chemically resistant polypropylene (PP) material
- Maximum bundle size of 44.5mm
- Lightweight
- Releasable
- Blue colour
- Tensile strength of 10kg
- Minimal water absorption
- Supplied in packs of 100

RS PRO Blue Cable Tie Polypropylene Releasable, 152.4mm x 2.4 mm

RS Stock No.: 321-2543

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Need to fasten a bundle of cables or other items together securely but still want to be able to release or adjust them? You can use, release, and re-use the RS PRO blue polypropylene (PP) releasable cable ties without having to worry about them losing their strength or grip. The ties are 152.4 mm long, 2.4 mm wide and can fasten bundles up to a diameter of 44.5 mm. They have many domestic uses, such as DIY and garden projects and are also found in industrial and manufacturing settings.
