Ground Fault Products Heavy Duty Commercial Weather Resistant

HUBBELL

GFCI Receptacles

Features

- Patented AUTOGUARD® self test technology
- Meets NEC requirements for weather resistance (406.9), UV and corrosion resistance for harsh and damp applications
- Protects against line and load reversal, no power to the face or downstream if device is miswired
- Single LED status indicator green indicates power, red indicates a trip, flashing red indicates end of life

Ordering Information

Description 20A, 125V, Style Line®, AUTOGUARD® self test GFCI receptacle, weather resistant, flush face, back and side wired, tri-drive screws Color Brown UPC 883778999789 Catalog Number GFRWR20
