28 Inch Wall Mount Media Enclosure, Cable Management Box for Network Distribution, Wi-Fi Electrical Box, Mounting Fixtures/Modules Included, White

Product ID: 28P1-MEDIA-ENCLOSURE

This easy-to-access box serves as a host location for components central to media, data, phone, and video networks. The robust fire retardant plastic material allows for the mounting of network equipment without blocking RF/Wi-Fi connection. The enclosure allows for improved network efficiency by providing a centralized location for equipment such as routers, switches, and modems.

This structured and lightweight media enclosure is ideal for IT professionals, network administrators, small business owners, and homeowners. It simplifies cable management by reducing clutter and improving accessibility. Ideal for new installations or retrofits, the enclosure is perfect for small networks containing data, phone, video, audio, security devices, mobile devices, lighting and temperature controls, and connected appliances. Adjustable shelves, Velcro straps, and saddle ties are included to neatly organize all components inside the box.

The media enclosure can be installed on a wall or a rack and can be surface mounted or recessed by mounting between wall studs. All necessary mounting and fastening accessories are included, ensuring that the enclosure is ready to be deployed for full use.

Certifications, Reports and Compatibility

RoHS Compliant   UL

Applications

• Centralize and protect network components such as routers, modems, and switches

• Provide a secure, organized space for integrating video and security systems in buildings

Features

• MEDIA & NETWORK DEVICE ENCLOSURE: This easy-to-access box serves as a host location for components central to media, data, phone and video networks; Venting design on the lid for cooling active electronics

• OPTIMAL WIRELESS CONNECTIVITY: Plastic material allows for the mounting of network equipment without blocking RF/Wi-Fi connection/signal; Improves network efficiency by providing a centralized location for equipment such as routers, switches, and modems

• CENTRALIZED MANAGEMENT: Structured and lightweight enclosure helps IT professionals, network administrators, small business owners and homeowners consolidate equipment; Simplifies cable management by reducing clutter and improving accessibility

• WIDE APPLICATION RANGE: Ideal for new installations or retrofits and small networks containing the following components: data, phone, video, audio, security devices, mobile devices, lighting & temperature controls and connected appliances

• QUICK INSTALLATION: Installs on a wall or a rack and can be surface mounted or recessed by mounting between wall studs; Adjustable shelves, Velcro straps and saddle ties are included to neatly organize components inside the box; Ready to be deployed to full use

Hardware

	Warranty	2 Years
	Wallmountable	Yes
	Front Door Construction	Plastic
	Front Door Features	Vented
	Cable Management	Yes
	Tools Included	Yes
	Fan(s)	No
	Mounting Options	Wall-Mount

Performance

	Weight Capacity (Stationary)	22.0 lb [10.0 kg]
	General Specifications	UL 60950-1
	Height Adjustment	Yes
	Anti-theft	No

Physical Characteristics

	Color	White
	Material	Plastic
	Product Length	33.2 in [84.4 cm]
	Product Width	18.4 in [46.8 cm]
	Product Height	5.0 in [12.6 cm]
	Weight of Product	7.9 lb [3.6 kg]

Packaging Information

	Package Length	18.9 in [48.0 cm]
	Package Width	36.6 in [93.0 cm]
	Package Height	6.1 in [15.5 cm]
	Shipping (Package) Weight	13.1 lb [5.9 kg]

What's in the Box

	Included in Package	1 - Wall-Mount Media Enclosure
		1 - Door with Frame
		8 - Rubber Grommet
		1 - Door Latch
		6 - #8x25.4 Screws
		2 - #6-20x7/8 Screws
		8 - T3.5x15 Screws
		2 - Shelf Brackets
		8 - Nylon Rivets (Male)
		8 - Nylon Rivets (Female)
		6 - Plastic Hook
		1 - 3ft (0.91m) Hook and Loop Strap
